Property Description

The final jewel of the Noura trio, unfolds over four levels linked by both elevator and staircase, marrying contemporary elegance with a tranquil natural ambiance. At street level, a luminous foyer opens onto a south-facing terrace, while an adjacent seamless living, dining and chef’s kitchen centred around a substantial island with a separate prep zone, glides outdoors through retractable glass panels; a guest bedroom with walk-in closet and private bathroom also enjoys direct terrace access. The second floor hosts the primary suite, complete with a dressing nook, expansive bathroom and its own outdoor retreat, alongside two additional bedrooms, each boasting walk-in wardrobes and en-suite facilities; with one sharing the level’s terrace. Above, the rooftop solarium beckons under a pergola with barbecue ready to go. Down below, the lower ground offers a bar-equipped lounge, wine cellar and fifth bedroom with full bath, all brightened by a central patio, while a guest WC, laundry, utility and storage spaces are discreetly tucked away for seamless daily living.
